Our purpose is to support Nicola in her role of student pastor to our congregation. We discuss the various functions she performs, reflect on the growth we have seen in the time she has spent with us and encourage her as she serves and witnesses to her faith among us.

We continue to focus on preaching aspects and regular Sunday services. I know Ms. Vogel has been highly involved with Christian Education and special presentations. Our student continues to work on all aspects of worship and the content of sermons as well as ever all presence during the service. Great improvement has occurred which is wonderful to watch.

Our meetings this semester were mostly about checking in. We discussed sermons, Nicole's progress through the program and as an Intern, and some of the theology behind the sermons.

Our student Pastor has kept the worship service when our Pastor had to be away. The service went very well with our student improving greatly with all the different transitions within the service.

The most significant thing I've seen, as mentioned, is her demeanor in worship leadership and sermons. She's always done a good job, but this semester she has a new level of comfort and confidence.
